My First Dance Class is a beginner dance class for little ones and a caregiver. Together, dancers explore movement and rhythm through interactive songs and sensory experiences.

Tots & Teddy Bears is the perfect transition from our mommy & me style class to an independent class without the help of a caregiver. If your tot does not have trouble with separating from you, then they are ready for this class! Bring your teddy bear to class!

Bitty Bop is a beginner hip hop class for little ones! This is a great class to shake those wiggles out and explore fun and rhythmic music while finding "the beat". All music and movements are age appropriate, of course!

An Enchanted Adventure will take you on a journey with a different princess/prince each week! Dancers are welcome to dress up (please wear ballet shoes)!
